

Good afternoon,

Please find the proposed MSA policy, 1528-CSHCS, regarding Insurance Premium Payment Assistance. This proposed policy explains how CSHCS may be able to assist beneficiary's that have lost or are about to lose insurance coverage. The proposed effective date is September 1, 2015. As indicated CSHCS is revising the chapter providing further information on assistance requirements, when assistance may be available, what is required to apply, effective date for coverage, annual eligibility renewal review and requirements to repay CSHCS for funds expended on terminated policies. There were a few minor 'word smithing' changes from the initial to the public comment phase.
